VI. New Business 7:30-8:10 PM

- Terry reached out to lawyers about what statute says alderperson involvement is in selecting board members. They state it says approve by BOA and Mayor.
- Terry reports of a new security company in the area. More expensive, if we pursued we would have to hire for less hours.
- Future of SBD
 - Alderperson not supportive of board mission per recent conversation with board member
 - Deborah reports heard from Mayor Jones that they do not want neighborhoods hiring secondary officers for security, favors wealthier neighborhoods
 - Value that we get from CWS vs. amount that we pay annually for their service.
 - Most of what is reported comes from district officers, not actual CWS involvement
 - Shifts often go unfilled, poor communication from Michelle
